SENURA PERERA

MULTIMEDIA DESIGNER

PROFILE

Hi, I'm Senura Perera, a Sri Lankan graphic designer with 4+ years of experience. I run Spectrix Designs, creating branding, social media content, and videos for clients locally and internationally. I work across the Adobe Creative Suite to bring ideas to life.

WORK EXPERIENCE

2022-2023 Ceylonese Crabs | Graphic Designer

I was a graphic designer at **Ceylonese Crab**, where I created packaging and social media visuals that reflected the brand's Sri Lankan heritage and premium seafood identity.

2024-Present Kuwalya | Graphic Designer

I worked as a graphic designer at **Kuwalya**, creating promotional and social media designs that reflected the brand's elegant, traditional bridal aesthetic.

2024-2025 ICET | Multimedia Editor

At **ICET**, I work as a Graphic Designer and Video Editor, creating professional graphics, video edits, and motion designs using Adobe Photoshop, Illustrator, Premiere Pro, and After Effects to support branding and marketing needs.

2025-Present Algorithm Digital | Multimedia Editor

I'm a Multimedia Editor at **Algorithm Digital**, where I create videos, graphics, and social media content to support marketing campaigns and strengthen digital presence.
